- Reduce risk
- Save time, money, energy and frustration
- Attract resources that can help: People, equipment, funding and mentoring
- Connect and collaborate with other entrepreneurs and businesses
- Join a network of business leaders
- Find mentors and advisors
- Build your business better

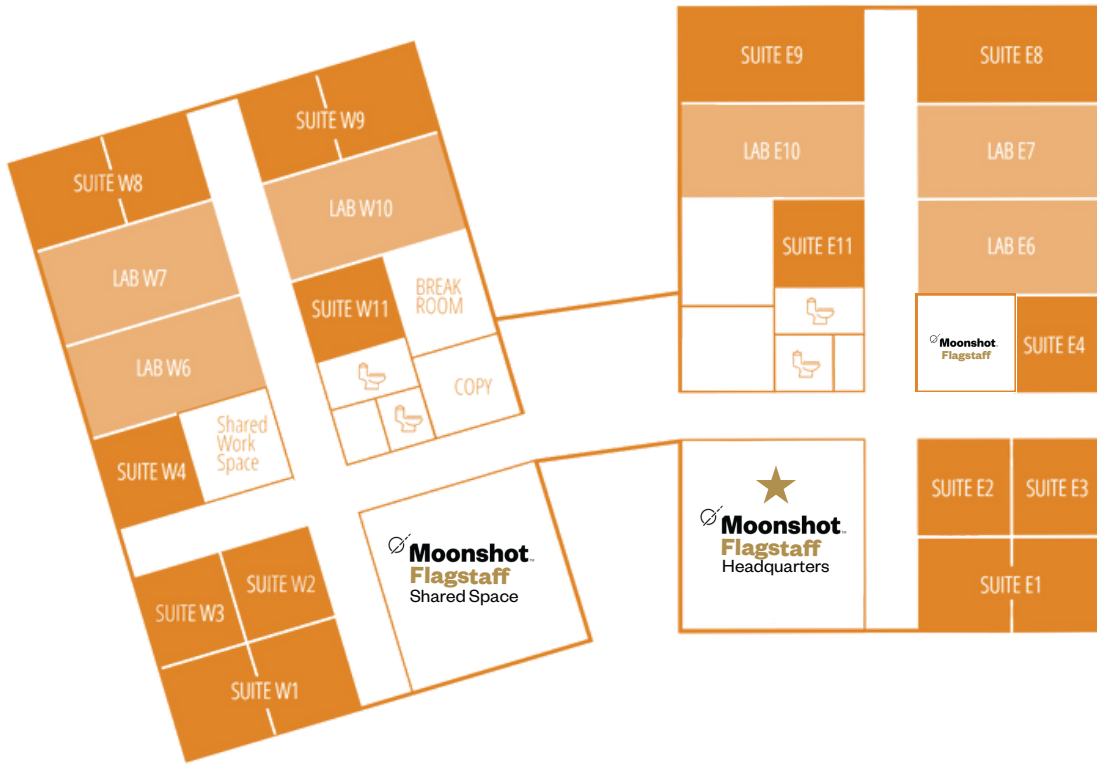

“Moonshot is an important group of talented people helping entrepreneurs take their ideas and making them a reality. This group offers a collaborative work environment that helps get things off the ground while moving tenants through incubation, acceleration, and eventually to commercial space. All this is being done to create a workforce pipeline for our future and offering a Flagstaff lifestyle that is unbeatable.”

HEIDI HANSEN
Economic Vitality Director
City of Flagstaff
